meet, and will include a one-mile novice, one-mile handicap, half-mile open and a practice pursuit race.

SHOWED BETTER FORM TODAY.

Pennsylvania Eight Faced the Camera at Henley.

HENLEY, Eng., June 21.—The Pennsylvania rowers left their raft somewhat later than they intended today, owing to the photographers, but they were on the regatta course before noon and did about three miles, with occasional stops and bursts of hard rowing, in which Stroke Gaudin hit it up to 38 without difficulty. As they were lifting the boat out they let her bow strike a nail, which slightly penetrated the paper, but the damage done is easily mendable with shellac and is of no importance whatever.

The boys today showed greatly improved form in rowing.

"They are not quite right on their slides yet," said Coach Ward, "but you will soon see a vast improvement in their blade work. This fine weather is making them feel good."

JENNINGS DESERTS AMERICAN.

Signs With the Philadelphia National League.

PHILADELPHIA, June 21.—Hugh Jennings today signed a contract to play ball with the Philadelphia National League club for the balance of the season. His release was purchased from Brooklyn. Both the Baltimore and Athletic teams of the American League claimed Jennings' services, and as neither would waive claim, Jennings reported to Hamilton of Brooklyn, who sold his release to the Philadelphia National League team.

Manager Mack Refuses to Relinquish Claim to Him.

Hugh Jennings will play in Baltimore, not will he play with the Philadelphia Athletics.

He left last night for Brooklyn to offer his services to Manager Hanlon.

Secretary Goldman had a long conference in Philadelphia with Benjamin Shibe and Manager Mack of the Athletic Club. He told them that Jennings would not under any circumstances play with the Athletics, and unless they let him stay in Baltimore he would not play in the American League. Mr. Goldman then said that Baltimore wanted to settle the matter amicably and was willing to pay \$3,000 for their claim. They refused, and Mr. Shibe said he would not consider \$10,000 nor any other sum. Mr. Goldman offered to give up all claim to the player for either of Pitches Fraser or Plank. They refused.

Manager Mack has clearly defined his position and states that he will not release Jennings from his agreement. Mr. Mack has shown great disappointment and says he felt that McGraw had gone out of his way to block his efforts to strengthen the Athletics, and he would not be justified in granting Jennings' request for release from the promise made to play in Philadelphia.

Shaw Riding in Great Form.

Shaw, the jockey, all but duplicated his success of Wednesday at Sheepshead Bay yesterday. He rode three winners and was only beaten a head in the last race of the day. He scored his victories on Ten Candles in the third race, Water Color in the fourth and Dark Secret in the fifth race, and then was beaten a short head on the Musketeer by All Green in the last race. His other mounts were unplaced.

Water Color won the Swift stakes at seven furlongs, the only fixture on the card. Six horses faced the starter, with Water Color favorite and Gold Heels and Demuree about equal at 5 to 2. The start was only fair, Water Color getting a little the worst of it. In the stretch Water Color drew away and won cleverly from Gold Heels.

Ten Candles made a new track record for a mile and three-sixteenths of 2:03.5. He was a 1 to 6 favorite, having only Maid of Harlow to beat. It was a perfect day for an outing and a big crowd was in attendance.

Woman's Championship Golf.

The second round of match play for the woman's metropolitan golf championship at Glen Cove, L. I., was productive of some very clever golf yesterday. The weather conditions could not have been better and the course was in splendid order. The present champion, Miss Genevieve Hecker, of Essex county, defended the title with an excellent performance, defeating Miss Gertrude Travers of the Long Island Club by 7 up and 5 to play.

Miss Ruth Underhill of Nassau beats Mrs. G. Collingwood of Fowlington by 1 up on the home green. Miss C. G. Willis of Morris county beat Miss Margaret C. Burtisford by 1 up after playing nineteen holes. Mrs. H. B. Ashmore of Baltimore beat Miss G. Robinson of Westbury by one up. In the semi-final round today, Miss Hecker plays Mrs. Ashmore and Miss Underhill meets Miss Willis.

Harvard Defeats Yale.

Harvard, 7; Yale, 3. This was the score of the first base ball game of the Harvard-Yale series, which was played on Soldiers' Field, Cambridge, Mass., yesterday afternoon—a game witnessed by 10,000 persons and finished by the biggest celebration that Cambridge has witnessed in years.

Century Run Next Sunday.

The century run of the Spanish War Guard, which was postponed last Sunday on account of rain, will take place Sunday next. The start will be from 420 10th street, at 6 o'clock a.m.

University Defeats the Potomacs.

The Georgetown University oarsmen had a trying out last evening with the Potomac Boat Club's eight. In a mile and a half spin on the Potomac the university crew won out with several lengths to spare. The Potomacs put up a good race, but the university boys are in fine condition and led throughout. The water was rough, but both crews rowed a good, hard race and the result was a foregone conclusion. The university was the victor.

Base Ball Notes.

Milwaukee today.

Carriack and Hawley will probably do the pitching.

Yesterday's finish was exciting and for once Washington had the luck. Two turns on the rubber in one series were too much for Mr. Miller, but he came near chalking up another victory at that. Left Fielder Nance did the error-making yesterday for the Wolverines, but he also did the hitting, hit home run, double and single driving in five of the visitors' seven runs.

Bill Coughlin has been very busy in the error-making line of late, but he is figuring in many brilliant plays, and in the recent games he has batted well.

Wyatt Lee should cultivate the fielding habit, so that in case his effectiveness as a pitcher comes to an end he could play another position.

As to the doubtful plays in yesterday's game, Barrett committed a very near chalking up another victory at that. Left Fielder Nance did the error-making yesterday for the Wolverines, but he also did the hitting, hit home run, double and single driving in five of the visitors' seven runs.
